Using Broadcast Vision CAB in conjunction with your TRUE Fitness console will eliminate the need for a remote control when a Set Top Box is being used to receive TV signal from a satellite or cable TV service provider. With a C.A.B., the buttons on the TRUE console can be used to control a compatible Set Top Box.

Step 1 Cable Connections:

Step 2A Transcend Touchscreen Software Setup:

a) Enter Service Mode:

Press and hold the TRUE logo (**A**) in the upper left corner of the home screen. When the word "TRUE" (**B**) begins to flash, release the logo and press and hold the lower right corner of the screen(**C**).

b) Enter the Setup Menu:

• From the main menu, press the Setup button (D)

Step 2A Transcend Touchscreen Software Setup (continued):

c) C.A.B. Setup:

- From the setup Menu, press C.A.B. Setup button (**D**).
- On the C.A.B. Setup screen, press the C.A.B. Enabled? slider button to enable it (E).
- **DO NOT** press the Select Set Top Box Button. The C.A.B. has been preconfigured by Broadcast vision and damage may occur by selecting an alternate configuration.

• Once enabled, the C.A.B. can be tested using the Channel Up & Channel Down buttons (F).

Step 2B Escalate¹⁵ TFT Console Software Setup:

a) Enter Service Mode:

Enter Service Mode by pressing and holding the Back navigation Button (**A**). When the TRUE Logo (**B**) begins to flash, release the navigation button and press and hold the Enter Button(**C**).

b) Enter the Setup Menu:

• Use the Up/Down Selection Buttons (D) to Highlight Setup (E) and press Enter (F).
